or visit [frostsscience.org/plananevent](http://frostsscience.org/plananevent).

\*\*Restrictions apply. Based on availability. Minimum guest count of 25 guests required. Offer not valid for previously contracted events.

# Enhanced Experiences

## TEAM BUILDING ACTIVITIES

Put on your thinking cap and explore the science behind engineering! Part exhibition, part laboratory, Design Lab: *Engineering* presents you with the challenges engineers face while putting your critical thinking skills to the test in a laboratory setting. You can also opt to have your team dissect a squid or learn more about this invertebrate during a fun and hands-on experience.

## PRIVATE LASER SHOW

Impress your guests with a rockin' retro throwback to the classic laser light spectacles you know and love. From Beyoncé to The Beatles, we're fusing music from some of the greatest artists of our time with old-school laser light visuals—all under the Frost Planetarium's 67-foot dome.

## SPECIAL GIFTS

Pamper your guests with a gift that includes one of our most popular items from the Science Store. Custom gifts available upon request.

## GUIDED TOURS

Explore Frost Science like never before with an Insider's Tour or VIP Tour. The fact-filled tours include insights into the building's innovative architecture and a behind-the-scenes look at the aquarium life support system. Also, get up-close to our animal residents with special access to a feeding and encounter.

## ANIMAL ENCOUNTERS

Come face-to-face with some of the birds and reptiles that call the museum home while a member of the animal husbandry team guides your session with informational tidbits.

## GUEST SPEAKER

Participate in a "TED-style" presentation with one of our knowledgeable scientists and staff members on topics ranging from astronomy to coral reefs.

# PHILLIP & PATRICIA FROST MUSEUM OF SCIENCE

1101 Biscayne Blvd, Miami, FL 33132 | 305-434-9600

   @FROSTSCIENCE

The Phillip and Patricia Frost Museum of Science is supported by the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners of Miami-Dade County. This project is supported by the Building Better Communities Bond Program and the City of Miami. Sponsored in part by the State of Florida, Department of State, Division of Cultural Affairs, and the Florida Council on Arts and Culture. The museum is accredited by the American Alliance of Museums, is an affiliate of the Smithsonian Institution and a member of the Association of Science and Technology Centers. Frost Science is an accessible facility. All contents ©Phillip and Patricia Frost Museum of Science. All rights reserved.
