

Adults Only Overnight Adventure Frequently Asked Questions (FAQ)

GENERAL OVERVIEW

Who is eligible to participate?

This event is for adults only. Adults need to be 21 years of age or older and will be required to show valid photo ID upon entry.

Do you accommodate Adults Only Overnight Adventure guests with special needs?

Yes, we do. It's priority for the museum to be inclusive and accessible to all guests. Because needs vary per person, let us know when you register about any special needs you feel comfortable disclosing. An Education Department team member will then connect with you directly, and we will do our best to offer an accommodation. Please note, if we do not receive your request prior to your scheduled Overnight Adventure date, it may be more challenging for the museum to meet your needs.

What is the cost?

The cost of the program is \$125 per person (\$110 for Young Patrons – active card holders please email membership@frostsscience.org to request your discount code).

What is included with the cost of the program?

Access to exhibitions after dark (exhibitions may vary), rooftop telescope viewing (weather permitting), hands-on science activities, a planetarium show (show will vary), special talks/panels, DJ dance party, meals (light dinner, late night snack, and continental breakfast the following morning), two complimentary drinks, and sleeping accommodations in one of our exhibition galleries are all included in the price. Please note: overnight parking is an additional charge and not included.

What is the price of parking for Adults Only Overnight Adventures at Frost Science?

Parking at Frost Science will be offered for a flat rate of \$10 in the museum's garage (from 7:30 p.m. to 8:30 a.m.); this fee is separate from program admission. Cars must leave the garage by 8:30 a.m. in order to receive the \$10 flat rate.

What should I bring to Adults Only Overnight Adventures at Frost Science?

To make your experience a pleasant one, we suggest the following items:

- A yoga mat, sleeping bag or blanket. We do allow single-sized cots and twin sized self-inflating mattresses. We cannot accommodate queen or king sizes, nor inflatable mattresses that necessitate proximity of an electrical outlet.
- Comfortable shoes and clothing.
- Appropriate sleep attire for a shared space (shorts/t-shirts, pajamas, sweatpants, etc.). Clothes must be worn at all times.
- Ear plugs.

Please note: we strongly suggest that any personal items be clearly marked with the owner's first and last name for the safety and security of all participants.
