MONSTER MASH

Sunday, October 27th | 11:00 a.m. to 4:00 p.m.

Happy Halloween with Kiddos Magazine

Celebrate the holiday with fun goodies and hands-on arts and crafts to get the creativity flowing for your little Halloween monster.

11:00 a.m. to 4:00 p.m.

LOCATION: Atrium, Level 1

Halloween Hair with Alpha Kids Salon & Spa

Try a new hairdo to match your Halloween costume with Alpha Kids Salon & Spa, who are providing complimentary hair braiding and hair stylings plus more.

11:00 a.m. to 4:00 p.m.

LOCATION: Atrium, Level 1

Marvelous Metals with the American Chemical Society

Discover marvelous metals, the theme of National Chemistry Week in celebration of the year of the periodic table, with Halloween trickery added to the mix. Partners include Barry University, Florida International University, St. Thomas University, the University of Miami, and the Younger Chemists Committee, South Florida Section of the American Chemical Society.

11:00 a.m. to 4:00 p.m.

LOCATION: Outdoor Terraces,
Level 3 and 4

Trick or Treat with UHealth Jackson Children's Care

Trick or treat! Discover a healthy way to celebrate Halloween by choosing between a healthy snack for a treat, or learning some tricks on how to balance a special candy treat with a mini workout.

11:00 a.m. to 4:00 p.m.

LOCATION: Atrium, Level 1

Whoop Whoop's There? Owl Encounter

Meet a nocturnal member of the Frost Science family! Chat with our husbandry team to learn more about how an owl's unique behaviors lead to survival in the wilderness.

11:00 a.m. & 2:00 p.m.

LOCATION: Royal Caribbean Vista,
Aquarium, Level 4

Underwater Pumpkin Carving

We are taking pumpkin carving to a whole new depth. See how our aquarium team creates frightening or friendly jack-o-lanterns underwater.

12:00 p.m.

LOCATION: Dive, Aquarium, Level 3

Into the Cauldron LIVE Show

Bubble, bubble, fun and trouble! Join us as chemistry helps us change the color of water, create bubbling concoctions, and even make water disappear before your very eyes.

12:45 p.m. & 2:45 p.m.

LOCATION: MeLaB, Baptist Health
South Florida Gallery, Level 1

Eyeball Dissection

We've got an eye on you! Join us for a sticky, icky cow eyeball dissection to learn about the basic anatomy of one of our favorite organs.

1:30 p.m. & 3:30 p.m.

LOCATION: Outdoor Terrace,
Level 3
