How do I pay for my visit?

Field trip reservations are on a first-come, first-served basis. A non-refundable deposit of 25% of the total due must be received two (2) weeks after your reservation has been confirmed to ensure your field trip date is secured. Reservations without paid deposits are subject to cancellation.

Deposits can be made by credit card or check/money order. Please make sure to include your invoice/order number. Please make checks or money orders payable to “Frost Science” and mail to:

Frost Science Reservations Department
1101 Biscayne Blvd
Miami, FL 33132

Purchase Orders: Miami-Dade County Public Schools and Broward County Public Schools may submit a PO in lieu of a deposit.

Final payments are due the day of your scheduled field trip.

The museum requires one payment to be made for each reservation. The lead teacher is responsible for collecting payment from additional chaperones attending the field trip prior to arrival. Any chaperones not included in the reservation, and paying separately will pay the regular museum admission rate and will not be guaranteed seats in shows/activities scheduled for your field trip. Museum memberships and guest passes/vouchers are not valid for field trip entrance.

What if my final count of students changes?

The final count of students is required five (5) business days prior to the visit. Payment based on that final count will be required in full at the time of arrival for the field trip, regardless of day of absences from students. Additional students and chaperones may be added at the group rates upon arrival, but there is no guarantee that they will be able to participate in the scheduled venues/shows with the larger group and are subject to availability.

What time do field trips take place?

All field trips at Frost Science are three (3) hours in duration, typically beginning at 10:00 a.m. Groups are expected to arrive 15 minutes prior to their scheduled start time. NOTE: Late groups might miss scheduled activities, and will not have an opportunity to reschedule for later shows or receive a refund.

Cancellations

If you must cancel your field trip, please send written cancellation no later than 10 business days prior to your visit. Written cancellations must be sent via email (fieldtrips@frostsscience.org).

Please note that field trip deposits are non-refundable. Deposits are transferable, however, and can be used towards a future field trip. This credit must be used within one (1) calendar year from the date paid. After this date, the non-refundable deposit will be donated to the Frost Science general fund.
