PHILLIP & PATRICIA FROST MUSEUM OF SCIENCE

1101 Biscayne Blvd, Miami, FL 33132 | 305-434-9600

   @FROSTSCIENCE

The Phillip and Patricia Frost Museum of Science is supported by the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners of Miami-Dade County. This project is supported by the Building Better Communities Bond Program and the City of Miami. Sponsored in part by the State of Florida, Department of State, Division of Arts and Culture, and the Florida Council on Arts and Culture. The museum is accredited by the American Alliance of Museums, is an affiliate of the Smithsonian Institution and a member of the Association of Science and Technology Centers.

Exploring the Museum

RESTROOMS

Wheelchair-accessible restrooms are available on Levels 1 through 5 just across from the main elevators in the central atrium, as well as near the entrance to the Hsiao Family Special Exhibition Gallery and in the Food@Science café. Wheelchair-accessible family restrooms equipped with showers and changing stations for babies and adults are also located next to the main restrooms on each floor.

COURTESY WHEELCHAIRS

The museum has a limited number of manual wheelchairs that guests may borrow free of charge. Guests should request this at the ticket center or entry kiosk on arrival located on Level 1. Leaving a driver's license or ID is required. Wheelchairs are available on a first come, first served basis.

OTHER POWER-DRIVEN MOBILITY DEVICES

The museum welcomes manual and electric wheelchairs, electric mobility scooters, and other power-driven mobility devices (OPDMDs) such as Segways if associated with a disability. Use of OPDMDs is subject to reasonable restrictions in certain parts of the facility. Devices must be operated at speeds not to exceed walking pace, and users must obey reasonable safety instructions given by staff. Recreational use of OPDMDs within the building is not permitted at any time.

SEATING

Seating is available in every permanent exhibition gallery and on the outdoor terraces of the museum. Indoor and outdoor wheelchair-accessible seating is also available in the Food@Science café.

FROST PLANETARIUM

Assistive listening is available for all Frost Planetarium shows. Receivers and headsets are available at the Frost Planetarium entrance. Wheelchair-accessible seating is available. A limited number of seats have removable armrests. The Frost Planetarium entrance is located on Level 1.

TOUCH EXPERIENCES

All major exhibitions, including the Florida Bay stingray touch exhibit and the Dive Bar in the Aquarium, have tactile experiences.

SERVICE ANIMALS

Any guide dog, signal dog or other animal individually trained to provide assistance to an individual with a disability as defined by the American with Disabilities Act is welcome in the museum galleries during regular operating hours. To ensure the safety of our own animal collection, pets, companion animals and emotional support animals are not permitted.

ELEVATORS

Elevators are available in the central atrium of the museum providing access to Levels 1-6. The Aquarium houses one elevator that connects Levels 1-4.

NURSING / QUIET SPACE AREA

Available upon request.
