

# FROST SCIENCE CONFERENCE SUITE

## FLOOR PLAN

Please note actual room layout may vary

Large room with an impressive panoramic view

With 1,082 square feet, our Conference Suite and Terrace is our largest corporate space for meetings, presentations, or small conferences. The space also comes with a terrace offering dramatic sweeping views of Biscayne Bay, Downtown Miami, and the adjacent park.

The single large boardroom, with floor-to-ceiling windows and natural light, is very functional as it can be divided into two separate meeting rooms of different sizes (702 sq. ft and 380 sq. ft), both with built-in AV capabilities.

The 340 sq. ft terrace is a relaxing and private space for lunches or breaks, and can also be rented separately for receptions, cocktail parties, or networking events.
