

# FROST SCIENCE ROOFTOP TERRACE

## FLOOR PLAN

Please note actual room layout may vary

## Networking with a view!

Who doesn't love a downtown rooftop cocktail reception? The observation deck on the museum's top level, showcasing native vegetation and solar exhibits, offers privacy and amazing panoramic views. It is an ideal venue for happy hours, cocktail receptions, or networking events that will have guests elated with the beautiful surroundings.

This 3,275 square foot open-air rooftop space comes with an alternative backup venue in case of sudden changes in the tropical Miami weather.
