PLANETARIUM SHOWS

Skyview Frost Planetarium Experience (45 min.)

8:15 p.m. and 10:15 p.m.

Location: Level 1, Frost Planetarium

Skyview combines live rock music, immersive full dome visuals and storytelling to create a one-of-a-kind concert experience. The band explores the history of humanity's journey to space, from Sputnik to Voyager, aiming to inform, entertain and celebrate the Space Age.

Laser Show: Space Rock (20 min.)

7:30 p.m. and 9:30 p.m.

Location: Level 1, Frost Planetarium

Enjoy an out-of-this-world laser show featuring hits from David Bowie, Elton John, the Beastie Boys and more.

PROGRAMMING & ACTIVATIONS

Headcount Miami

Location: Level 1, Atrium

The November elections are in our orbit! Register to vote or check your existing voter registration status so you can make your voice heard.

Expert on Call: Dr. Vickie Kloeris

Talks at 8:00 p.m. and 9:00 p.m.

Location: Level 1, Journey to Space

Meet former NASA food scientist Dr. Vickie Kloeris and hear about her experience designing the meals that fuel space exploration.

Galactic Tower Tumble

Location: Level 1, Atrium

It's an interstellar giant tumbling block challenge! Answer cosmic trivia and play space "Never Have I Ever" as you move the blocks. Just don't trigger a gravitational collapse...

Freeze-Dried Food Tasting with OrbiFood

Location: Level 1, Ocean Gallery

Taste freeze-dried food selections by OrbiFood (a local women-owned business) and be among the first to try our Miami-themed custom mix.

Fairchild's Growing Beyond Earth Program

Location: Level 2, Terrace

Plant a seed from space and discover the tricks scientists use to grow plants outside our atmosphere.

Portable Planetarium

Location: Level 2, Oculus

Step into our inflatable planetarium to take a tour of the night sky! See your favorite constellations, venture to other planets and more.

FIU Stocker Astroscience Center

Location: Level 3, Terrace

Ask an astroscientist anything! Get all your questions answered by FIU expert, James R. Webb.

Mars Mission

Location: Level 4, Terrace

Time to get to work, Mars won't explore itself! Using your coding skills and Sphero Robots, navigate the Red Planet to check things off your roving task list.

SIP, SNACK & SHOP

Power of Science Lounge & Space Bar

Location:

Level 1, Power of Science

Take a spin on our LED dance floor with music provided by AYDAMN. Sit and enjoy signature drinks and other snacks available for purchase at the Space___Bar.

Food can only be consumed inside Power of Science.

Science Store

Open until 11:00 p.m.

Location:

Level 1, Main Atrium

Enjoy 20% off all items, excluding clearance and select items.
